

# FC-862

## HEAVY DUTY EXIT BUTTON

### Product Features

- FC-862 Metal Exit Button is a durable and reliable access control accessory designed for indoor and outdoor use. Made from high-quality stainless steel or zinc alloy, this button offers excellent resistance to water, dust, and vandalism, making it ideal for harsh environments.
- **Shock & Impact Tolerance** – Engineered to handle heavy knocks and repeated use without failure.
- **Robust Metal Construction:** Anti-vandal and corrosion-resistant.
- **Momentary Switch Design:** Returns to original position after pressing.
- **Multiple Output Contacts** – Typically NO (Normally Open), NC (Normally Closed), and COM (Common) for flexible wiring.

### Technical Specification

Model	FC-862
Material	1.9mm thick stainless steel panel
Button material	304 stainless steel, silver cobalt
Current Rating	3A
Output Contact	NO/NC/COM
Operating humidity	0-95% (RH)
Operating Temperature	-20°C~+55°C(14-131F)
Mechanical Life	500,000 Tested
Dimensions	86L*86W*30H
Weight	0.14KG
